

Social Justice REPAIR KIT

Menu

About

The goal of this project is to help youth movements and social justice initiatives to

- become welcoming environments for youth with learning differences, and
- benefit from the advantages of inclusive design.

The project will provide a hub:

- with toolkits, applications and examples
- to share, repurpose and reuse resources.

The Kit will be openly available to any group or individual hosting youth movements, youth action events and social justice movements.

Supported by the **Oak Foundation** and
led by the **Inclusive Design Research Centre**
